**PETITION TO CORRECT FILING DATE**  
**UNDER 37 CFR § 1.10 (d)**

Sir:

Applicant respectfully requests correction of the filing date of the present application to July 18, 2003. Discovery of the mistake occurred on November 14, 2003 while the undersigned was preparing a response to a notice of missing parts. It was then that it was noted that the filing receipt incorrectly stated that the filing date was July 19, 2003.

As demonstrated below, the application was placed in United States Postal Service (USPS) Express Mail on July 18, 2003. Enclosed is a copy of the Certificate of Mailing Under 37 CFR § 1.10 indicating a date of deposit of July 18, 2003, and listing the documents enclosed in the mailing. A copy of the relevant page from our Express Mail Logbook indicates a date of deposit of July 18, 2003. The date has been indicated by a highlight for convenient reference. Finally, enclosed is the USPS receipt indicating a "Date In" of July 19, 2003. All reflect the same Express Mail Number EV 154066422US.

Under the "Date In" box on the USPS receipt is a box marked "Time In". The "Time In" box indicates a time in of "02:00", and the "AM" box is checked. Accordingly, the USPS

checked the application in at 2:00 AM on July 19, 2003. Therefore, the check-in date, in this case, cannot possibly reflect the correct date of deposit since the only possible deposit time available before check-in on July 19, 2003 was the first two hours past midnight.

Based on the above it has been demonstrated that the filing date of the above-captioned application should be July 18, 2003 and not July 19, 2003 as is currently of record. Therefore, the Applicant respectfully requests that the filing date be corrected to July 18, 2003.

Respectfully submitted,
